

◆ 首都・東京に隣接し、都市の利便性と豊かな自然環境を併せ持った暮らしやすい県です。

Being adjacent to Tokyo, the capital of Japan, Saitama Prefecture is a comfortable place to live in where urban convenience and rich natural environments are combined.

◆ 日本のほぼ中央に位置するとともに、5本の新幹線・高速道路が走り、京都など日本の主要都市へのアクセスも容易です。

While positioned roughly in the center of Japan, Saitama has five Shinkansen (bullet train) lines and highways and is in easy access to Kyoto and other major cities in Japan.

◆ 人□規模、平均年齢の若さ、経済規模は、いずれも日本で第5位の活気ある県です。

It is a vibrant prefecture ranked fifth in Japan all in terms of the population size, the young average age of the citizens and the economic magnitude
